Subject: RE: Region 6 Webinar on San Mateo Creek Basin - Follow-up technical questions Region 9 has regarding the SMCB NPL Listing and the ground water investigation.
Date: Thursday, January 4, 2018 10:57:00 AM

Tuesday morning works best for me- though I can Monday work also- Michelle Brown will be here Monday morning and I scheduled a call with CSRA for Monday to get their input on a couple of the questions. I will have everyone input by Tuesday morning to aid in me in my responses.

Importance: High

Pam,
Can you look at these questions- I would like for us to meet about these questions prior to Thursday- can we use the Tuesday Regular slot- if not either before or after that slot.

has regarding the SMCB NPL Listing and the ground water investigation.

Hi Mark and Brenda –

Attached are the follow-up questions from R9 regarding the GW investigation and the listing. Rather than do full-blown presentations for the webinar, I'd like to just go over each question in order with Region 9 and use Adobe Connect for visuals as necessary. You both have provided multiple presentations and drafts, so I see no need to do so again. Your thoughts?

Kevin

Hey,

Attached please find some follow-up questions from the Region 6 responses regarding the San Mateo Creek Basin. Let's go over these on Monday to help prepare for the webinar on 1/11/2018 and ultimately the managers meeting January 17 & 18.

Have a Great Weekend and New Year
